IMPORTANT NOTICE: A Change to your Prescription Drug Coverage

Dear TRICARE Beneficiary:

As of August 28, 2024, **CABTREO**, a prescription medication you're taking, is no longer covered by TRICARE. It has moved to a non-covered drug status and is no longer available through military treatment facility pharmacies or TRICARE Pharmacy Home Delivery. If you continue to take the medication, you'll be required to obtain the medication from a retail pharmacy and pay 100% of its cost.

If you are no longer taking this medication, then you don't need to do anything at this time.

If you are taking this medication, what should you do?

1. Review the enclosed information called "Options for You and Your Doctor to Consider."
This document shows the medication that is no longer covered, preferred alternatives and associated cost information.
2. Discuss this information with your doctor to see which of the following options is best for you:
 - Switch your prescription to a preferred alternative medication.
 - Continue your non-covered prescription by obtaining at a retail pharmacy and pay 100% of the cost of the medication.

Why the change?

The Defense Health Agency regularly reviews medications and has determined the medication mentioned above has little to no clinical benefit compared to other medications that are just as effective and cost less.

Who should you contact if you have questions?

If you have any questions about your pharmacy benefit or you need help, please visit militaryrx.express-scripts.com or call 1.877.363.1303.

Sincerely,

Jay Peloquin, PharmD
